That's ok, Alex. WGA is coming heavy, and ECOS, ASTSWMO and the Interstate Mining Compact Commission will be here as well. This is a bit "hotter" for states than military vessels discharges, so – even if you have an intern who could represent you guys – he/she would be welcome. Just a thought.

Andrew,

I wanted to let you know that, unfortunately, I will not be able to attend tomorrow's federalism consultation briefing. We are very short staff here at NGA right now, and there is some legislation moving on the Hill this week that I need to cover. I hope this doesn't cause you any inconvenience.

Thanks,

Alex Whitaker
